

INTERNATIONAL SOCIETY FOR PERITONEAL DIALYSIS

2019 Institutional Membership

A nephrology institute from eligible countries or regions with interest in or practice of peritoneal dialysis may join the ISPD as an institutional member. There shall be ONE principal member within each institution. He / She can nominate up to another 9 members (nominated members) from the same institute. The principal member shall be responsible for all correspondence with the ISPD. The same principal and nominated members shall be renewed every year.

The rights and benefits of the institutional member include:

1. Subscription to Peritoneal Dialysis International (PDI), the official journal of the International Society for Peritoneal Dialysis (ISPD):
 - a. Online subscription (automatic): By becoming an ISPD member the principal member automatically receives an online subscription to PDI. This includes access to full text of all archived and current issues of PDI. The full texts of all issues are fully searchable, and each article includes hyperlinks to Medline, Google Scholar, and the online full-text of many other frequently cited journals. Publish before print (PDI in Press) articles are available online to members as soon as they are approved by authors. ISPD members should sign in to their ISPD member account to access the journal online at: www.ispd.org/login
 - b. Print subscription (optional): The ISPD is committed to protecting the environment and to the responsible use of natural resources. Please only choose a print version of the journal if you are unable to have regular access the online journal. One copy of each issue of the official journal of the ISPD, Peritoneal Dialysis International, and the newsletter of the ISPD will be sent to the principal member. The principal member shall be responsible for distribution of the journal and newsletter to other nominated members from the same institute.
2. Both the principal and nominated members are eligible for access to the current issues and archives of Peritoneal Dialysis International online. Any password offered to the members shall not be passed to persons outside the list of the principal and nominated members. If the access password is passed to anyone other than the 10 total members, institutional membership shall be revoked for all members.
3. Both the principal and nominated members are eligible for ISPD member special registration rate in the courses, meetings or congresses organized by the ISPD.
4. Both the principal and nominated members are eligible to apply for scholarships, traveling grants and research grants of the ISPD whenever available.
5. ONLY the principal member shall have voting rights in the ISPD.

The annual rate for an institutional member is US \$175.00

* This rate is available by special request by the principal member, and cannot be subsidized by an industry sponsor.
